INFORMATION FOR MEMORIAL WALL

It is the custom of HVUUC to memorialize deceased members by carving their names on our Memorial Wall. If you would like to have someone's name inscribed on our Memorial Wall, please complete this form. The names of past members and long-term friends can be added with approval of the Board of Trustees.

In the box below, carefully print the name of the deceased exactly as it is to be carved in stone.

Note: Our practice is to carve a first and last name, with the year of birth and year of death. In the case of nicknames, we suggest using whatever name was most commonly used at HVUUC. Please do not use prefixes or suffixes that are generational (Jr. Sr.), academic (Dr., Ph.D.), military or honorary.

Year of birth: _____ Year of death: _____

If you wish to retain space near the deceased's name for a spouse/other, please provide the spouse/other's name so we can leave the appropriate space:

Year of birth _____

Printed name of person making this request: _____

Signature of person making this request: _____

Relationship to deceased: _____

Telephone number of requestor: _____

Email of requestor: _____

The cost of inscribing a name is approximately \$125. HVUUC does not require a donation to cover this expense, although it is appreciated. To donate, make checks payable to HVUUC with the notation, "Memorial Wall Fund" on the note line, and mail to HVUUC, PO Box 8383, Gray TN 37615 or place in the offering plate.

Please return this form to the church's Vice-President in person or at vp@hvuuc.org
